| 99  | Record of best/innovative practices by the institution  | <p>practices in college management revolves around meticulous academic record maintenance. Keeping a comprehensive and up-to-date Academic Register is essential for tracking students' progress and overall academic performance. It also serves as a valuable resource for educators and administrators to identify trends and implement targeted interventions when necessary.</p> <p>Additionally, best practice involves leveraging technology to enhance communication between the college, students, and parents. Regularly sending attendance reports to parents through group communication channels ensures that guardians are actively involved in monitoring their child's educational journey. This proactive approach fosters a collaborative and supportive environment, facilitating the holistic development of each student and reinforcing the crucial</p> | B<br><br>B  |  |
